United Way

Celebrating your Giving!

2014
Annual Report

Making a lasting impact in Curry and Roosevelt Counties
March 17, 2015

Dear United Way Supporters,

The past year has been yet another filled with changes, excitement, and most importantly, opportunities to help. It is your donation of time, effort and dollars that fuels the United Way of Eastern New Mexico’s ability to rise to these challenges. There are not words enough to sufficiently thank each of you for everything you have already done.

I do ask, though, that you take a moment to think about the mother who is wondering where her child’s next meal will come from, the family who faces homelessness when they cannot make rent this month, the woman in an abusive relationship who desperately needs a way out, and the list goes on. Think on these things when you consider your involvement with the United Way this coming year. Consider speaking to your friends, family and colleagues about their involvement.

We have been incredibly fortunate in this small region of the country to not have faced a substantial natural disaster in the most recent couple of years, but there are still many, many families and individuals facing their own personal disasters. It is the United Way’s purpose to bring together our collective resources to best aid our fellow community members in their time of need. Please help us spread awareness and the message of the United Way of Eastern New Mexico.

Lastly, I want to say thank you. Without you there would be no United Way.

Yours truly,

Daniel Brashear
President UWENM Board of Directors
The United Way staff sincerely thanks all of our great partners and volunteers for your dedication, hard work and collaboration.

Grant Funded Agencies 2015:
Food Bank of ENM, The Hartley House, Clovis Meals on Wheels, Girl Scouts of NM Trails, Oasis Children’s Advocacy Center, American Red Cross, GLU Factory, Arise Sexual Assault Services, Special Olympics of Clovis-Portales, Friends of Cannon Families and Portales Meals on Wheels.

We are proud of these great partners!
Mission
United Way of Eastern New Mexico’s mission is to Unite Neighbors and Change Lives in Curry and Roosevelt Counties, through programs that address Education, Income (financial stability) and Health.

Vision
United Way of Eastern New Mexico envisions a community that comes together to encourage families that are working to become financially stable; reach out to and support young people at every educational stage; and encourage individuals to make healthy decisions while we reduce the barriers to healthy living.

Goals
United Way of Eastern New Mexico strives to improve lives in our communities by mobilizing our citizens and local companies to Give, Advocate, and Volunteer.
UWENM ~ Locally Organized and Locally Led

In 1960, the Curry County United Fund was organized to consolidate the fundraising efforts of local human service agencies. The Fund was established on the belief that a concentrated effort to reach out to the community annually would ultimately produce better results than each agency repeatedly asking local individuals for funding throughout the year. In 1973, the Community Fund became Curry County United Way.

In 2005, the Roosevelt County United Way and the Curry County United Way officially merged to form a combined dual-county United Way. The new dual-county United Way was named United Way of Eastern New Mexico (UWENM) in March of 2005. Over our history, United Way of Eastern New Mexico has invested over $13,250,000 into our communities, providing vital services to our neighbors-in-need in both counties.

UWENM is focused on changing the conditions that exist in our community which impact education, income and health. One powerful tool for community for change is the Day of Caring. Since 2006, UWENM has held a Day of Caring to mobilize volunteers in improving our community. From cleaning up parks, to building a playground, to preparing the lot of a Habitat for Humanity house, to helping reconstruct the damaged Dream Center in Portales. Day of Caring projects bring many different people and organizations together to transform neighborhoods.

In 2007, 2-1-1 was introduced to Curry and Roosevelt counties after the F5 tornado hit Clovis earlier that year. 2-1-1 is a free information and referral service provided by United Way. 2-1-1 is an easy to remember phone number that connects people to the help they need. The volume keeps growing as awareness of the program expands.

United Way played a significant role in the response and recovery of the community after the 2007 Tornado. Immediately following the disaster UWENM called the churches and community organizations together to focus on reducing duplication of efforts and to tackle the long-term recovery of affected families. UWENM was the fiscal agent for the community-wide fundraising effort and managed those funds on behalf of the ENM Disaster Recovery Committee. In the end over 88 families were aided with the $105,000 in donated funds.

Created in 2009, Zenith Youth Leadership Academy—a research based program developed by Christina Martinez-Guajardo to encourage our young people to reach their potential by focusing on their strengths and developing diverse peer relationships. This program has worked with over 50 6th, 7th and 8th graders over the...
years. As a reward for completing the 8 month program, this year the teens will be participating in the NM Youth Alliance Conference in Albuquerque and conclude with a tour of the campus of University of New Mexico.

2012 was the first full year that United Way and 12 local churches and charities shared client information through a secure database called Charity Tracker forming our local network **ENM Helping Hearts & Hands**. ENMHH provides open communication between organizations that help struggling families. By sharing client data and communicating about unmet needs, ENMHHH members can make better decisions when rendering assistance and have the chance to see that assistance make a bigger impact through collaboration. United Way is the network administrator, technical support and #1 cheerleader for ENMHH's use of Charity Tracker: recruiting and training churches and non-profits in the uses and benefits of the system.

After the Feb. 2012 **Clovis Apartment Fire**, numerous local organizations pulled together to respond to the disaster: 12 families (29 adults and children) were made homeless in one afternoon. By working together, centralizing fundraising with United Way again as the fiscal agent and utilizing each organization’s expertise, the coalition worked with families for five months until all were back in permanent housing situations. Charity Tracker played an important role in that event as well.

**Game Changers.** In 2013, UWENM created a new “fund” called **Game Changers** that has allowed us to partner with other local helping organizations like Salvation Army, Lighthouse Mission, Portales Ministerial Alliance, and Hartley House to fill gaps and “finish the job” of helping someone in need. Together we helped families avoid homelessness and helped people get the ID and birth certificates they needed to apply for jobs & housing. We are looking forward to utilizing Game Changer funds to grow our partnerships with Life Skills at Matt 25, Wheels of Love, and various ENM Helping Hearts & Hands organizations.

Another new project at United Way is **Winning at the Game of Life**, a family financial stability program. Partnering with High Plains Federal and financial well-being consultant Lisa Kia a six month program was created to help working adults gain new skills and perspectives on managing their money. 25 families began their financial well-being journey in January 2014 and 15 completed the entire course. UWENM looks forward to more projects related to family financial stability.

**Staff**

Currently, United Way of ENM employs three full-time employees: **Erinn Burch**, Executive Director since 2002, **Patricia Bazar**, 2-1-1 Director and Office Manager, **Danielle Swopes**, Campaign and Outreach Manager, Plus two volunteers: **Betty Wagner**—since 2006, **Virginia McReynolds**—since 2014.
United Way of Eastern New Mexico
At WORK in YOUR Community

2-1-1—Every day people are faced with problems that they need a bit of help solving. Finding help for those problems can be frustrating and difficult when they don’t know who to call and where to find the help. 2-1-1 is a free service of UWENM, we refer callers to the programs, churches, and non-profits that can help.

Game Changers—2014 is the second year that UWENM has utilized our Game Changer Fund to partner with local organizations and churches to fill gaps & “finish the job” of helping someone in need. In 2014, we have worked with Life Skills at Matt 25, Wheels of Love, Lighthouse Mission, Salvation Army, Portales Ministerial Alliance, Hartley House, GLU Factory, and more.

The real POWER of Game Changers is in the stories: Having everyone’s birth certificates allowed a young mother to move out of the Hartley House to her own apartment; With a little help making rent this month, a family did not have to scramble for a new place while the mother recuperates from emergency surgery; because United Way paid for the car part—now the family car is running again and everyone can get to school and work on time.

Charity Tracker—is a shared database that was put in place to connect various benevolence and direct services providers (churches, non-profits and community groups). The local network of providers is called ENM Helping Hearts & Hands. The purpose of the shared database is to promote collaboration and reduce duplication of services.

Winning at the Game of Life—This family financial stability program was created in partnership with High Plains Federal Credit Union in 2014. Winning the Game of Life is a 6 month program facilitated by a financial well-being consultant focused on helping working adults gain new skills & perspectives on managing their money. 25 families began the program in January with 15 “graduating” in June.

Portales TEFAP Feeding Hungry People—Food Bank of Eastern New Mexico was having a hard time finding a community partner willing to handle the monthly TEFAP distribution in Portales (which serves over 300 people in one day). So United Way of Eastern New Mexico gathered a coalition of civic and church groups to do the job. Beginning October 18th, UWENM and our partners (Central Christian Church, Portales Rotary Club, Altrusa Club of Portales, ENMU Women, CAFB Chapel, Portales Kiwanis, and Calvary Baptist Church) are sharing the load of this important feeding program that provides supplemental nutrition to low income families each month.

Southwest Cheese Truck Pull
WIN is a United Way organization built of local women that supports United Way projects and provides networking opportunities for its members. Since its inception in 2001, WIN members and WIN events have raised approximately $80,000 toward United Way projects.

In 2012, WIN launched “Be A Game Changer” asking women to donate toward the Game Changers Fund, an exciting program that supports programs that are changing the game in Clovis and Portales; programs like Life Skills and Wheels of Love that positively impact lives everyday right where we live.

Then in 2013, WIN added the “Successful You Career Closet”. SYCC is a closet of gently-used women’s professional clothing. The Women of WIN are helping other women get employed, make a new start and support their families.

WIN Member is a Game Changer.
United Way would like to thank the following people and organizations in Curry & Roosevelt Counties for their work on behalf of their causes and for their spirit of cooperation. UWENM Board and Staff value the opportunity to work with them in 2014 and 2015. This is by no means a complete list of passionate people making a difference in Roosevelt and Curry Counties. It is a short list of those we’ve had the privilege of working with.
