

Subject line Thank you! You've changed lives in Eastern New Mexico

Dear [First name],

First, I would like to express my deepest and most heartfelt gratitude for your generous gift to United Way. Your support has a far-reaching impact and will help improve the lives of those in need every day.

I can't thank you enough for being **United in Purpose** with us. As someone who has expressed their commitment and intention, I wanted to reach out and let you know that there are additional ways for you to live your purpose and advance the solutions to our community's challenges. - **Volunteer** Make a difference in your community through volunteer work – providing a ride for someone who is homebound, reading to preschoolers to get them school-ready, or passing out food to neighbors in need. Perhaps you'd like to serve on one of our community's grant evaluation boards or offer your professional skills to a local nonprofit in a skilled-volunteering opportunity. There are many ways to contribute your time and skills through United Way. Visit [www.VolunteerENM.org](http://www.VolunteerENM.org)
- **Advocate** Encourage your neighbors and colleagues to become active in our community and raise your voice on the issues that impact hard-working families in Eastern New Mexico. Join United Way's in-person and virtual events to help every person in our region thrive.

Thank you for your commitment to Eastern New Mexico. We are looking forward to working with you to make our community stronger together, **United in Purpose**.

Thank You Again,
