

**United  
Way**

**United Way  
of Eastern New Mexico**

Building stronger  
communities  
TOGETHER

**2018-19 Annual Report**

*The United Way staff  
sincerely thanks  
all of our  
great partners and volun-  
teers for your dedication,  
hard work  
and  
collaboration.*

March 29, 2019

Dear Supporters of United Way of Eastern New Mexico,

Coming together, sharing a meal and reflecting over the last year always brings me great joy and at the same time an examination of my personal commitment. Did I do enough? Could I have **done more?** **And if there is one take away that I wish for from tonight's gathering, let it be the awareness that your local United Way is not the efforts of just one or a few individuals but a concerted effort of many, many citizens of Clovis, Portales and our rural communities that believe together we can improve the lives of our local residents.** Our supporters give of their financial resources. They volunteer of their time and energy. They help us promote the mission. Without you, there would be no United Way. Without United Way, what would our communities look like?

Reflection is a good thing. Remembering helps us improve our future. This past year was no different than previous years. It included many changes and exciting opportunities to help. Your United Way is hard at work all year round addressing the issues that face local families. There is not enough space and not enough words to sufficiently express United Ways gratitude to all our **supporters. From the bottom of my heart, I thank you. I'm sure the board and the staff would echo that thankfulness.** We are fortunate and blessed in this small corner of the world to have such committed individuals and businesses that share a vision of a better tomorrow.

Going forward from here, what are our hopes and plans? As any local charity will express, we could use more financial resources, more volunteers, more help in getting the word out. Those are the constants and I imagine will always be part of our mission. But one variable I can proudly talk about is United Ways new vision to concentrate on work that promotes child well-being and youth success. We have worked hard this last year on planning and blue printing what our communities could be like if we affected changed, real long-term changes in the lives of our youth and in their families. Can you imagine the possibilities? Can you do more to help us reach that vision? I can. And I believe the people in this area can build a better tomorrow for this generation and the next. Thank you for a wonderful year and I look forward to United Ways bright and impactful future.

Steve Vernon

President UWENM Board of Directors

# Mission

**United Way of Eastern New Mexico's** mission is to Unite Neighbors and Change Lives in Curry and Roosevelt Counties by seeking partners who will give, advocate, and volunteer to benefit our local community—especially through work that promotes child well-being and youth success.

## #YouthSUCCESSenm Initiative

---

In Curry and Roosevelt Counties we have committed ourselves to FOCUS on #YouthSUCCESS.

**Who are we?** #YouthSUCCESSenm is made up of leaders and champions from every sector of our business, faith, government, and non-profit sectors. Brought together by United Way of Eastern New Mexico, we are beginning a journey to improve outcomes for the youth of our communities.

**Why?** Because a prosperous local community depends on youth who are prepared for life and career success. When we saw the statistics for our Curry and Roosevelt youth we knew we wanted to respond as a community: 38% of our teens reported feeling hopeless and depressed; 30% of our local kids under 18 years old live in poverty; low percentages of area students who are proficient in reading (< 50%) or math (< 15%) by 11th grade.

### What do we hope to accomplish?

#### **Youth Success Goals**

- ◆ All youths know how to plan for a career or vocation and make good life choices.
- ◆ All youths report that they have the supports to be resilient.
- ◆ All youths feel safe in their homes, neighborhoods and schools.
- ◆ All youths have opportunities to experience a wide range of enrichment activities.
- ◆ All youths have families with access to programs and resources that help better support them.

## How will we PURSUE these goals?

We have created Work Groups to address the following Key Objectives:

### Primary Objectives

- ◆ Increase Access to Quality Afterschool & In School Programs
- ◆ Increase Access to Mental Health & Substance Abuse Treatment Services
- ◆ Increase Family Engagement (Traditional & Non-traditional)
- ◆ Increase Youth Vocational & Career Pathways Development

### Supportive Objectives

- ◆ Increase Communications Activities Aimed at Families & Youth
- ◆ Increase Physical Capacity to Host Expanded Programming
- ◆ Increase Access to Transportation Resources

## How can YOU help?

- ◆ Join a Work Group! Work groups meet monthly and focus on executing certain strategies in their county. Learn more at [www.YouthSUCCESSNM.com](http://www.YouthSUCCESSNM.com)
- ◆ Donate to UWENM for #YouthSUCCESS
- ◆ Stay involved at <https://www.facebook.com/groups/youthsuccessenm/>

**Our thanks to these individuals and their organizations for their hard work on #YouthSUCCESSnm Initiative, so far.**

# How Donations to UWENM Impact Our Community

# United Way Eastern NM at Work Everyday

**2-1-1**—Every day people are faced with problems that they need a bit of help solving. Finding help for those problems can be frustrating and difficult when they don't know who to call and where to find the help. 2-1-1 is a free service of UWENM, we refer callers to the programs, churches, and non-profits that can help. In 2018, over 2,200 callers were directed to bill pay assistance, food, clothing, transportation, and more.

**Game Changers & Winter Warmth & EFSP**— 2018 is our sixth year to provide direct financial assistance to local residents in need. We use Game Changer Funds in partnership with local organizations and churches to “finish the job” of helping someone in need. Because of our Game Changer work we received almost \$22,000 in Emergency Food and Shelter Programs funds and therefore we helped an additional 118 families with utilities and rent. In TOTAL 422 families were assisted: 153 birth certificates or ID; 8 House Repairs; 54 Bus Passes; 54 assisted w/ Rent; 86 w/ utilities.

**Successful You Career Closet**— is a boutique style service for women needing interview attire or appropriate office wear for a new job. In 2018, 40 women put their best foot forward to a new more-successful future with donated gently-used clothing from our Career Closets in Clovis and Portales.

**Charity Tracker**— is a shared database that was put in place to connect various benevolence and direct services providers (churches, non-profits and community groups). The purpose of the shared database is to promote collaboration and reduce duplication of services.

**Reality Check Day**— This experiential learning program gives our young people a glimpse of adult financial responsibilities. In partnership with local bank sponsors and over 100 loyal volunteers, we are bringing this program to 6 high schools and over 900 students this school year. Reality Check Day gives our young people the awareness of the financial pitfalls and challenges that lay ahead.

**Portales TEFAP Feeding Hungry People**—United Way of Eastern New Mexico with a coalition of civic and church groups are in our second year of providing groceries to vulnerable families in Roosevelt County. UWENM and our partners (Central Christian Church, Portales Rotary Club, Altrusa Club of Portales, ENMU Women, ENMU Athletics, CAFB volunteers, Portales Kiwanis, and First Baptist Church) are sharing the load of this important feeding program that provides supplemental nutrition to 200 low income families each month.

**Volunteer Action Center**—United Way of Eastern New Mexico created the Volunteer Action Center in November 2015 with a grant from Cummins Foundation. In 2018, over 600 volunteers have utilized our services and contributed over 4,000 hours to our local community projects at 50 agencies. [www.VolunteerENM.org](http://www.VolunteerENM.org) is how our local people can readily give back to agencies and neighbors in need of their time and talents.
